Short Description :

AIRRS Report

Following receipt of perfected FOIA request DON2013F100092JP in 2013, further information of a similar nature is requested namely for all specified Aircraft Inventory Readiness and Reporting System (AIRRS) aircraft transactions for the period since AIRRS introduction in 1987 through to the latest data releasable, understood to be around six years in the past, therefore I believe through to and including December 2010 as of January 2017. Through previous correspondence, it is understood that although AIRRS is operated by NAVAIR, all FOIA requests are perfected by the Office of the CNO therefore this request should be directed to that FOIA office. Data supplied under the previous request (for the period 1997-2006) is attached for info on format, though would appreciate column 5 to list single letter 'action code' (as determined by AIRRS coding, which is translatable from public sources). I would look for this request to be perfected and transmitted by MS Excel format also, please. All US Naval/Naval Reserve/Marine Corps command/unit transactions (e.g. acceptance into service, squadron assignment, transfer to repair facility, defense contractor, etc.) by aircraft individual bureau number are requested for the period 1987-2010, and for the following aircraft types: KA-3B, EA-6B, KA-6D, A-6E, A-7E, E-2C, F-14A, F-14A+, F-14B, F-14D, FA-18A, FA-18C, FA-18E, FA-18F, EA-18G, SH-3D. SH-3H, SH-60F, HH-60H, MH-60R, MH-60S, S-3A, US-3A, S-3B Any questions, please e-mail me. My sincere thanks for your assistance.
